

Moonshot Mastery for Schools

■ Building resilience, focus and belonging (KS2–KS5)

Why Moonshot Mastery?

- Evidence-based & trauma-informed — neuroscience made simple for pupils, staff and parents.
- 13+ years' teaching experience (Head of Chemistry, Assistant Head), now dedicated to coaching.
- Story-led journeys with Milo & Shadow Milo make deep concepts relatable.

What we deliver

- Assemblies — Whole-school inspiration on resilience, growth and self-worth.
- Workshops — Practical sessions on focus, anxiety tools, habits and purpose.
- 1:1 Support — Targeted coaching slots for pupils who need extra care.
- Staff CPD — Trauma-aware strategies and nervous system resets.
- Parent Sessions — Home-friendly neuroscience for consistency and calm.
